Foreword

"Let there be light" was the first command for the forming of our world. All down through the ages light in its various forms has been the most important factor in every phase of human life.

We, the seniors, have come to understand the need for the light of learning as the basic fundamental for useful living. We are grateful to the faculty and administration for helping us to assimilate this light for use in years to come.

It is with this thought in mind that we selected light as the theme of the 1951 SECOMA.

Dear Marlin,
You are a
sweet kid. Best
of lots of love,
Love,
Mama

Dedication

It is with sincere appreciation that we dedicate this annual to Mr. Henry L. Thorsett, who has been a light of inspiration to the class of 1951.

We have all come to know his democratic ways, good citizenship, and excellent judgment in civic affairs.

We feel that if we can, in any small way, imitate his qualities and high ideals, we will become good and successful American citizens.

With these thoughts in mind we dedicate the pages of this annual to him.

Memorial

MR. GLENN

Mr. J. T. Glenn, affectionately known to the students as "Skipper," died early on the morning of February 8.

Having been a bus driver at Federal Way for ten years, "Skipper" holds a place in the hearts of many students. Besides the students who regularly rode his bus, many others remember this good-natured man as he joined in the fun while driving a bus to and from games. We will remember Mr. Glenn as a kind and friendly person.

MISS HOLMSTROM

On January 12, the pupils and alumni of Federal Way lost one of their finest friends and teachers, Miss Hanny Holmstrom.

In her many years of teaching she gave her pupils assurance, confidence and love. Her reward was observing the development of her many students into worthy citizens.

The closing of school on the Monday after her death was a small token of the appreciation she deserved. As the memory of her is so strong, she will always linger in our hearts as a part of Federal Way.

Chauffeurs

These bus drivers did a fine job in transporting the many pupils to and from school. Our eleven buses make from 4 to 6 trips daily. They covered approximately 230 miles each day.

Their responsibility was greatly increased by the double shifting in the grade school.

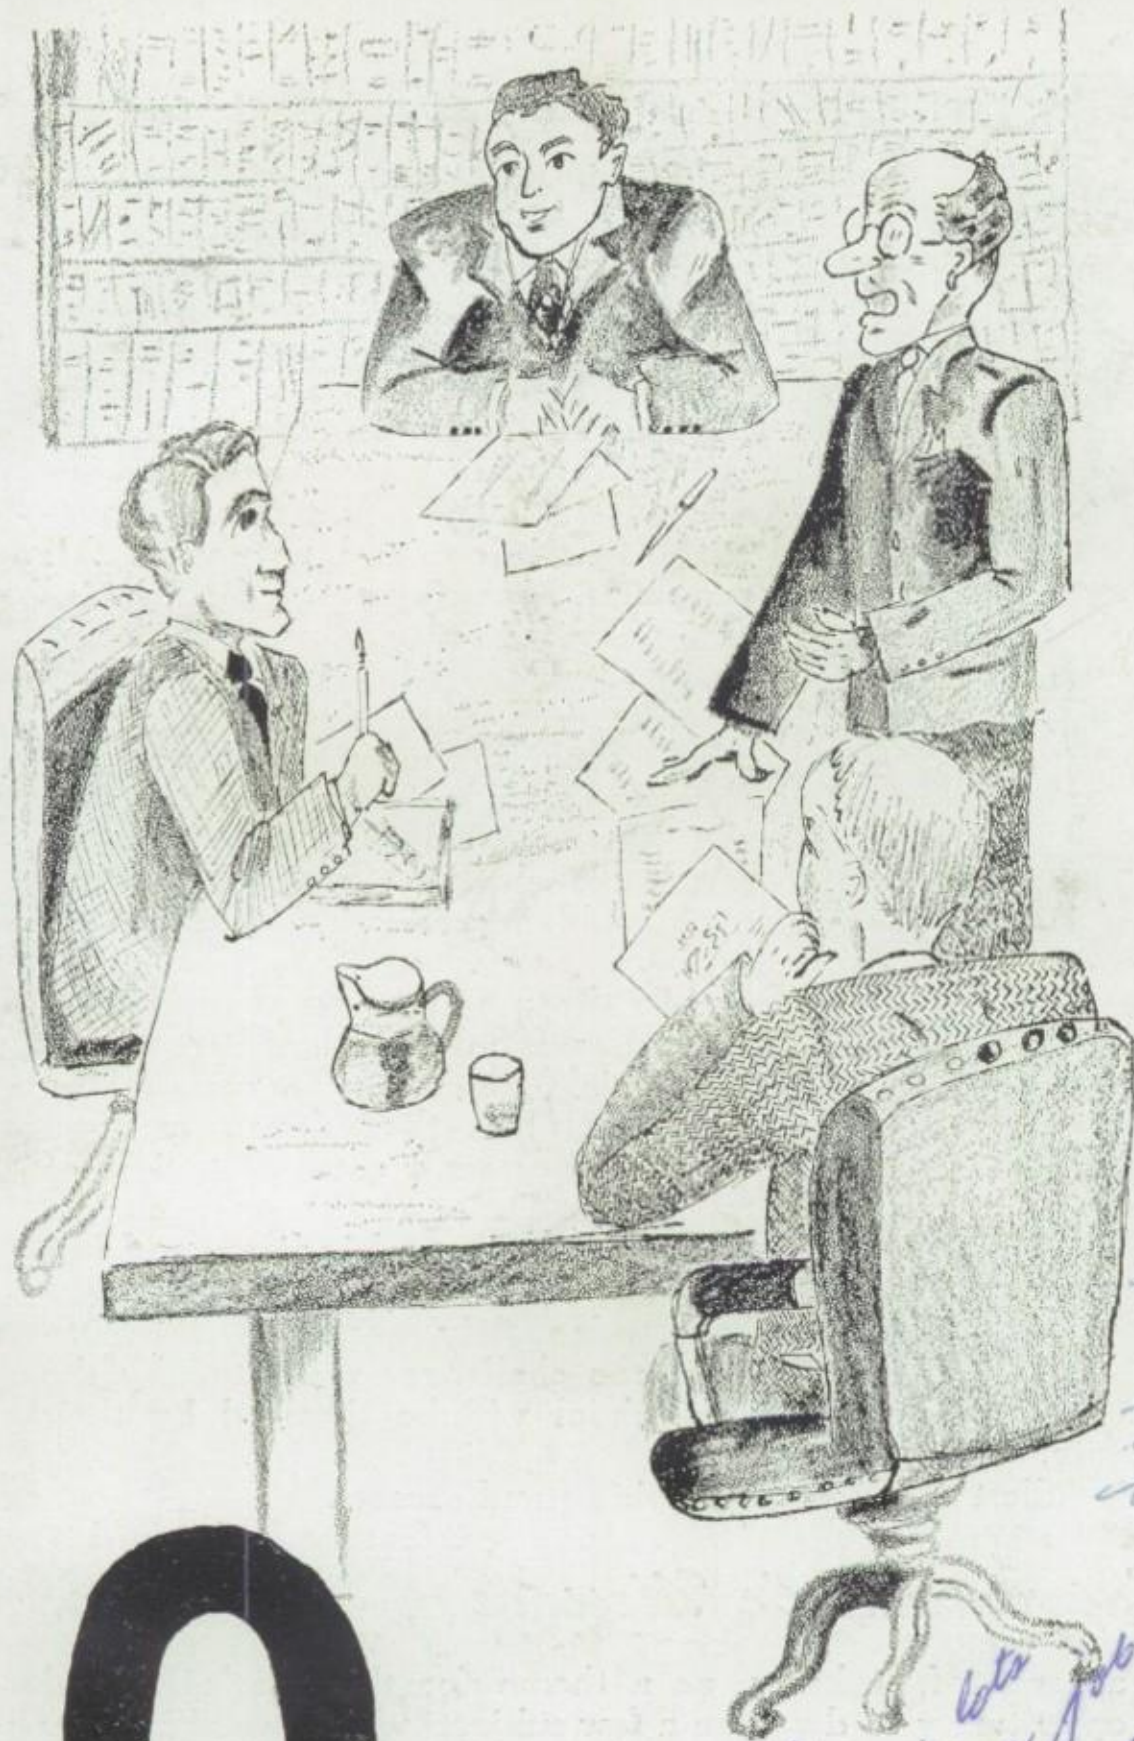

Cooking Champions

Under the expert management of Miss Grace Fischer, our cafeteria served delicious, well-balanced meals to approximately 700 students each day.

With the help of 3 cooks, a cashier-bookkeeper and 30 students under Miss Fischer's supervision, the lunch was served to the high school for 20 cents.

A new feature in the cafeteria this year was the soft ice cream machine.

The cafeteria staff is to be congratulated on the excellent job they did this year.

Administration

"Get good counsel before you begin; and when
you have decided, act promptly."

Principal's Message

In selecting "Light" as a theme for the 1951 edition of Secoma, the class of '51 has displayed rare foresight. Light can be thought of in its most common or physical sense, but to a thinking person it has a much deeper implication. From an educational or spiritual point of view it must be considered as understanding, as knowledge, as wisdom and as power. All people and races, great and small, individually or in groups, mark their success and progress in direct proportion to their fund of wisdom and knowledge. Such a theme could well be chosen as a guide or aim for the American System of Public Education of which this school is a part. What better goal could a graduating class set for itself?

To the present class we offer our hearty congratulations and best wishes for a bright future, but we cannot help but regret that their departure upon life's journey must come at a time of such uncertainties, at a time when plans must be made subject to sudden changes. We trust the past twelve years have adequately equipped them to meet the challenges presented by the

world of today and that their achievements in school will be dwarfed by their accomplishments of the future.

To them we wish life's fullest measure of happiness and success.

George Rutherford

Superintendent's Message

Light in general, the absence of darkness, as a theme for this year's Federal Way Annual gives me an opportunity to dwell on a few subjects which are akin to it.

For example: lighthouses and light ships are used as guide posts for ships at sea, beacons are used for the airways and traffic signals are used to guide and direct travel upon the land. These powerful searchlights or illuminations are used as warnings of shoals and reefs, and as guides to indicate safe channels.

Education is a form of light or mental enlightenment for those who avail themselves of the opportunities presented for receiving it.

What you have learned and will continue to learn should serve as the lighthouses, beacons, and traffic signals along your way.

There are still many, many people in the world who do not have mental enlightenment, as can be seen in the condition of the world today. There is war, threats of war, distress, intrigue, despair, poverty, and hunger. There seems to be a scarcity of good news, bright sports, and encouragement.

Confucius once said that to put the world in good order, the nations must be put in good order, which means that we must put our families in good order. To put our families in good order we must cultivate our personal lives. To cultivate our personal lives we must set our hearts and minds aright, use the light of understanding and knowledge, and keep our eyes upon the guiding lights of what we have learned.

You, graduating students of 1951, will some day be the leaders of commercial, civic, and public affairs in the coming years. Watch for the guiding lights and remember that good citizenship is founded in the spirit of tolerance, kindness, good sportsmanship, and of helpfulness to others.

Helping to furnish a guiding light for the students has been the job of Mr. Rutherford and his able secretary, Miss Winnifred Twiss. They are shown at the desk over which pass many problems that concern the high school and its students.

The Guiding Light

Seeking the guiding light for the student body, the Student Council got underway soon after the opening of school. The class presidents and representatives from the classes and clubs, the student body officers, Mr. Rutherford, and Mr. Root constituted this governing body. They had a very active year supervising and providing the necessary help for various athletic and social functions of the school.

Gownsmen

The Federal Way '51 Beacon of Light shone brightly for the past four years revealing athletes, artists, musicians, actors, and students.

Leading the seniors in their activities this year were James Lawson, president; Robert Wehrer, vice-president; Marvis Bauer, secretary; Margie Wishard, treasurer; and Shirley Nicholson, rep. to the Student Council. Miss Lewis and Mr. Root were their able advisers.

Their two major events were "Spring Fever," the senior play, given on November 18, and the Senior Ball, which was held during the spring. The class prophecy and will were read at the senior assembly in May.

Many seniors participated in extra-curricular activities. The Girls' Athletic Association, the Future Homemakers of America, Lettermen's Club, Drama Club, Debate, Annual staff, Librarian, Pep Club, Drill Team, and our school paper, the Eagle Eye, were the major interests of the seniors. Many members of the class helped prepare and promote the Carnival.

Baccalaureate and graduation were the highlights of the year. On June 5 the seniors, dressed in blue caps and gowns, marched down the aisle to the immortal "Pomp and Circumstance."

Scholars

The three years of experience at Federal Way has qualified the junior class to be the guiding light for the student body next year.

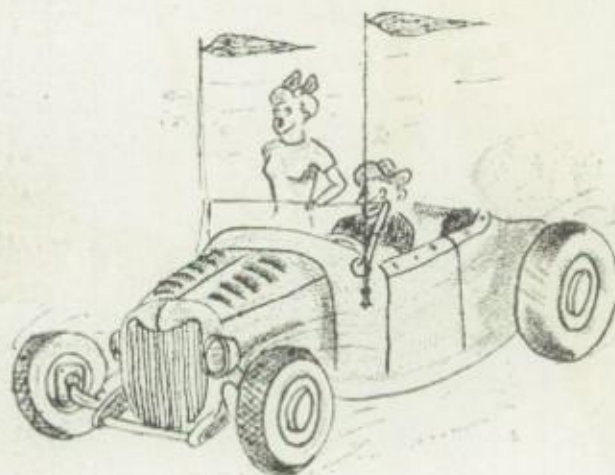

Many successful activities were participation in football, basketball, baseball, track and Boys' Patrol for the boys, and G. A. A., F. H. A., Pep Club, Drill Team, and Drama for the girls.

In the spring the beautiful Junior Prom and the Junior concession in the P.-T.A. Carnival proved to be outstanding triumphs for the class of 1952.

With the whole class donating time and materials, the decoration the commencement exercises added greatly to the festive occasion.

Pranksters

Guided by class advisers, Mr. Sparks and Mr. Kuhn, and a group of capable officers, the sophomore class of 1950-51, with great determination went about their business with great success in all of their activities.

The first thing that came up was the usual election of class officers. The results were as follows: Jon Erickson, president; Louie Eller, vice-president; Bill Taylor, secretary-treasurer; Beryl Benton, representative.

The next thing was their Sophomore Hop which was a huge success.

The sophomore class also took an active part in the Christmas tea and the annual carnival.

Their activeness in all sports completes a very progressive year.

Lighthearted Lassies

On May 23, 1950, the Girls' Club of Federal Way High School met to elect officers for the 1950-1951 school year. Those chosen to light the way for the girls through this year were Mary Anne Samuel, president; Janice DeJardine, vice-president; Ruth Graves, secretary; Betty Bartleson, treasurer; Joyce Wishard, sergeant-at-arms; and Chirlee Rochester, representative to the Student Council. In October Chirlee, who moved away, was replaced by Dorothy Chamberlain.

Mrs. Donegian, the new home economics teacher, was the adviser. Without her fine co-operation and guidance, it probably would have been much harder to make the fine accomplishments which the club made this year.

Tolo was the first main project of the year. Preceding tolo was Tolo Week when all girls wore crazy outfits. This year's tolo consisted of a cabaret dinner which was served in the gym. An orchestra furnished dance music in the background to the beautiful candlelighted tables.

Next on the calendar for the girls was the annual Christmas Tea held December 20 in the music room. Teachers and mothers of the boys and girls in high school were invited. With the help of Mrs. Donegian and the Home Economics Department which furnished the refreshments, the club proved its ability to organize and present a social function.

With these jobs behind them, the club contributed their share of work in the all-school carnival. Their responsibility was the bake sale. Members of the club baked, donated goods, and sold them with the assistance of Mrs. Kenneth Jones and Mrs. Turner Kuhn.

Beam Supporters

Supervising the splendid work of the P.-T.A. this year were: Mr. Charles Barnard, president; Mrs. Chester Miller, secretary; Mrs. A. C. Davisson, vice-president; and Mrs. A. C. Kreigle, treasurer.

These officers helped in making a success of the many things the Parent-Teacher's Association has done this year which included the Father and Son Banquet, open house, a Founder's Day program, and chaperoning pep dances. The most outstanding of their achievements was the sponsoring of the annual school carnival.

Masculine Monopoly

The Father and Son Banquet held on November 1, was one of the highlights of the year's P.-T.A. program.

Those boys and their fathers who attended had a delicious turkey dinner and all the trimmings. After dinner was served, they enjoyed the delightful entertainment presented under the direction of Mrs. Jackson, chairman. The program included singing and dancing by a group of boys from the Briscoe Memorial School directed by Brother Quinn, a Sumner barber shop quartet, and prizes given for the youngest son, youngest father, father with the most boys and the boy with the most freckles. Mr. Frank Wehrer was master of ceremonies.

Top row, left to right: Eddie Englund, Beryl Benton, Betty Pleake, Naomi Evans, Arlene Kassuhn, Betty Wilson, Janet Meyer, Judy Anderson, Ila Mae DeWald, Dolores Higdon, Sally Moreland, Shirley Nicholson, Mr. Dunn.

Melody Maids

Living up to the superior rating, which they won last spring, the Girls' Glee Club of Federal Way has once more enjoyed a bright season.

The group was composed of forty-four attractive and talented young ladies. They appeared in smart, trim, blue and white uniforms. These factors when combined, provided a very pleasant group, not only to see but also to hear.

Only under the able direction and guidance of Mr. Samuel Dunn and the help of their accompanist, Eddie Englund, have the girls been able to attain and hold their high standing.

To usher in their musical year, the girls appeared on Campus Radio Theater over Station KMO in Tacoma. On December 8, 1951, they added to this fine performance another success by singing at their annual Mid-Winter Fiesta. The girls performed for exchange assemblies at the P.-T.A., and again for their school at the Spring Fantasy. A highlight of the year was their entrance into competition at the Pierce County Music Festival at Fife. The grand climax of the season for the group was the Western Washington Music Festival at Enumclaw. To conclude the year the Glee Club sang for Commencement.

Playful Playmates

The Girls' Athletic Association offers to girls of Federal Way an extensive program of healthful sports. It also sponsors many activities. Officers chosen to light the way for the organization this year were Shirley Iwasaki, president; Marcellyn Barnett, vice-president; Gayleen Fredrickson, secretary; Beryl Benton, treasurer; and Marvis Bauer, representative. Mrs. Coles was adviser.

Meeting every Tuesday night, they played speedball, basketball, volleyball, ring tennis, and baseball. From these sports, from dancing, and from activities on their own, the girls earned points for letters and stripes.

To an outstanding senior girl was given the G. A. A. Achievement Award, which is based upon points earned, sportsmanship, leadership, and inspiration to fellow players.

Big Wheels

The Lettermen's Club consisted of those boys who had earned at least one letter in a high school sport. This year the club chose the following officers to lead them: Richard Nelson, president; Fred Wilhelm, vice-president; David Zuck, secretary-treasurer; Walter Cummings, sergeant-at-arms; and Jim Laird, representative to the Student Council. Mr. Turner Kuhn was their adviser.

The Lettermen's Club worked on the school carnival held on March 10. They did a fine job with raffling a dog and patrolling school halls.

At the end of the year the Lettermen's Club awarded the inspirational award to the most outstanding graduating athlete.

Signal Lights

Doing their directing work smoothly and efficiently like signal lights, the Boys' Patrol had an active year.

They were on the job before school, at noon, and after school directing traffic and assisting students to cross the highway.

The group, under the direction of Mr. Housel, also assisted in the parking of cars at all the school functions.

Roaring Roadsters

Learning to drive a car properly is very important. It is a great responsibility, as the driver is not only accountable for his own safety but also the safety of his passengers and other drivers and pedestrians.

This is the third year driver training has been offered at Federal Way. Teaching the correct way to operate a car is the main objective of this course. Under Mr. Erickson's direction, many students learn how to operate a car safely and sanely.

The officers were president, Davie Adams; vice-president, Shirley Nicholson; and secretary-treasurer, Philip Fisher.

The members of the team representing the negative side were Jack Foote and Charles Baker. On the affirmative side were Philip Fisher and Davie Adams.

Would-Be Wives

The Federal Way chapter of the Future Homemakers of America have had a very busy year. Nine members attended the Regional Convention at Vancouver on October 28. They brought back many ideas that helped light the way of this year's activities.

Officers elected to extend the light of truth, love, security, and faith promoted by the F. H. A. were Verla Brinson, president; Mary Brinson, vice-president; Dorothy Chamberlain, secretary; Gail Fields, treasurer; Dolores Higdon, representative; Marvis Bauer, historian; Barbara Blackburn, degree chairman. Pigskin Conquerors

The Federal Way Eagles took third place in the Pierce County League by chalking up three wins, two losses, and one tie. All home games this year were played at night on our newly-lighted field.

In a non-conference game the Eagles upset Issaquah 7-0. They started the league season on home ground by winning over Yelm 13-12.

On October 20 the Eagles traveled to Peninsula where they lost to the Seahawks 19-7. The highlight of the game was when Reitan caught a pass and ran fifty yards to score our only touchdown.

The Eagles went on to win over Orting 19-7. They showed best in running and pass interception.

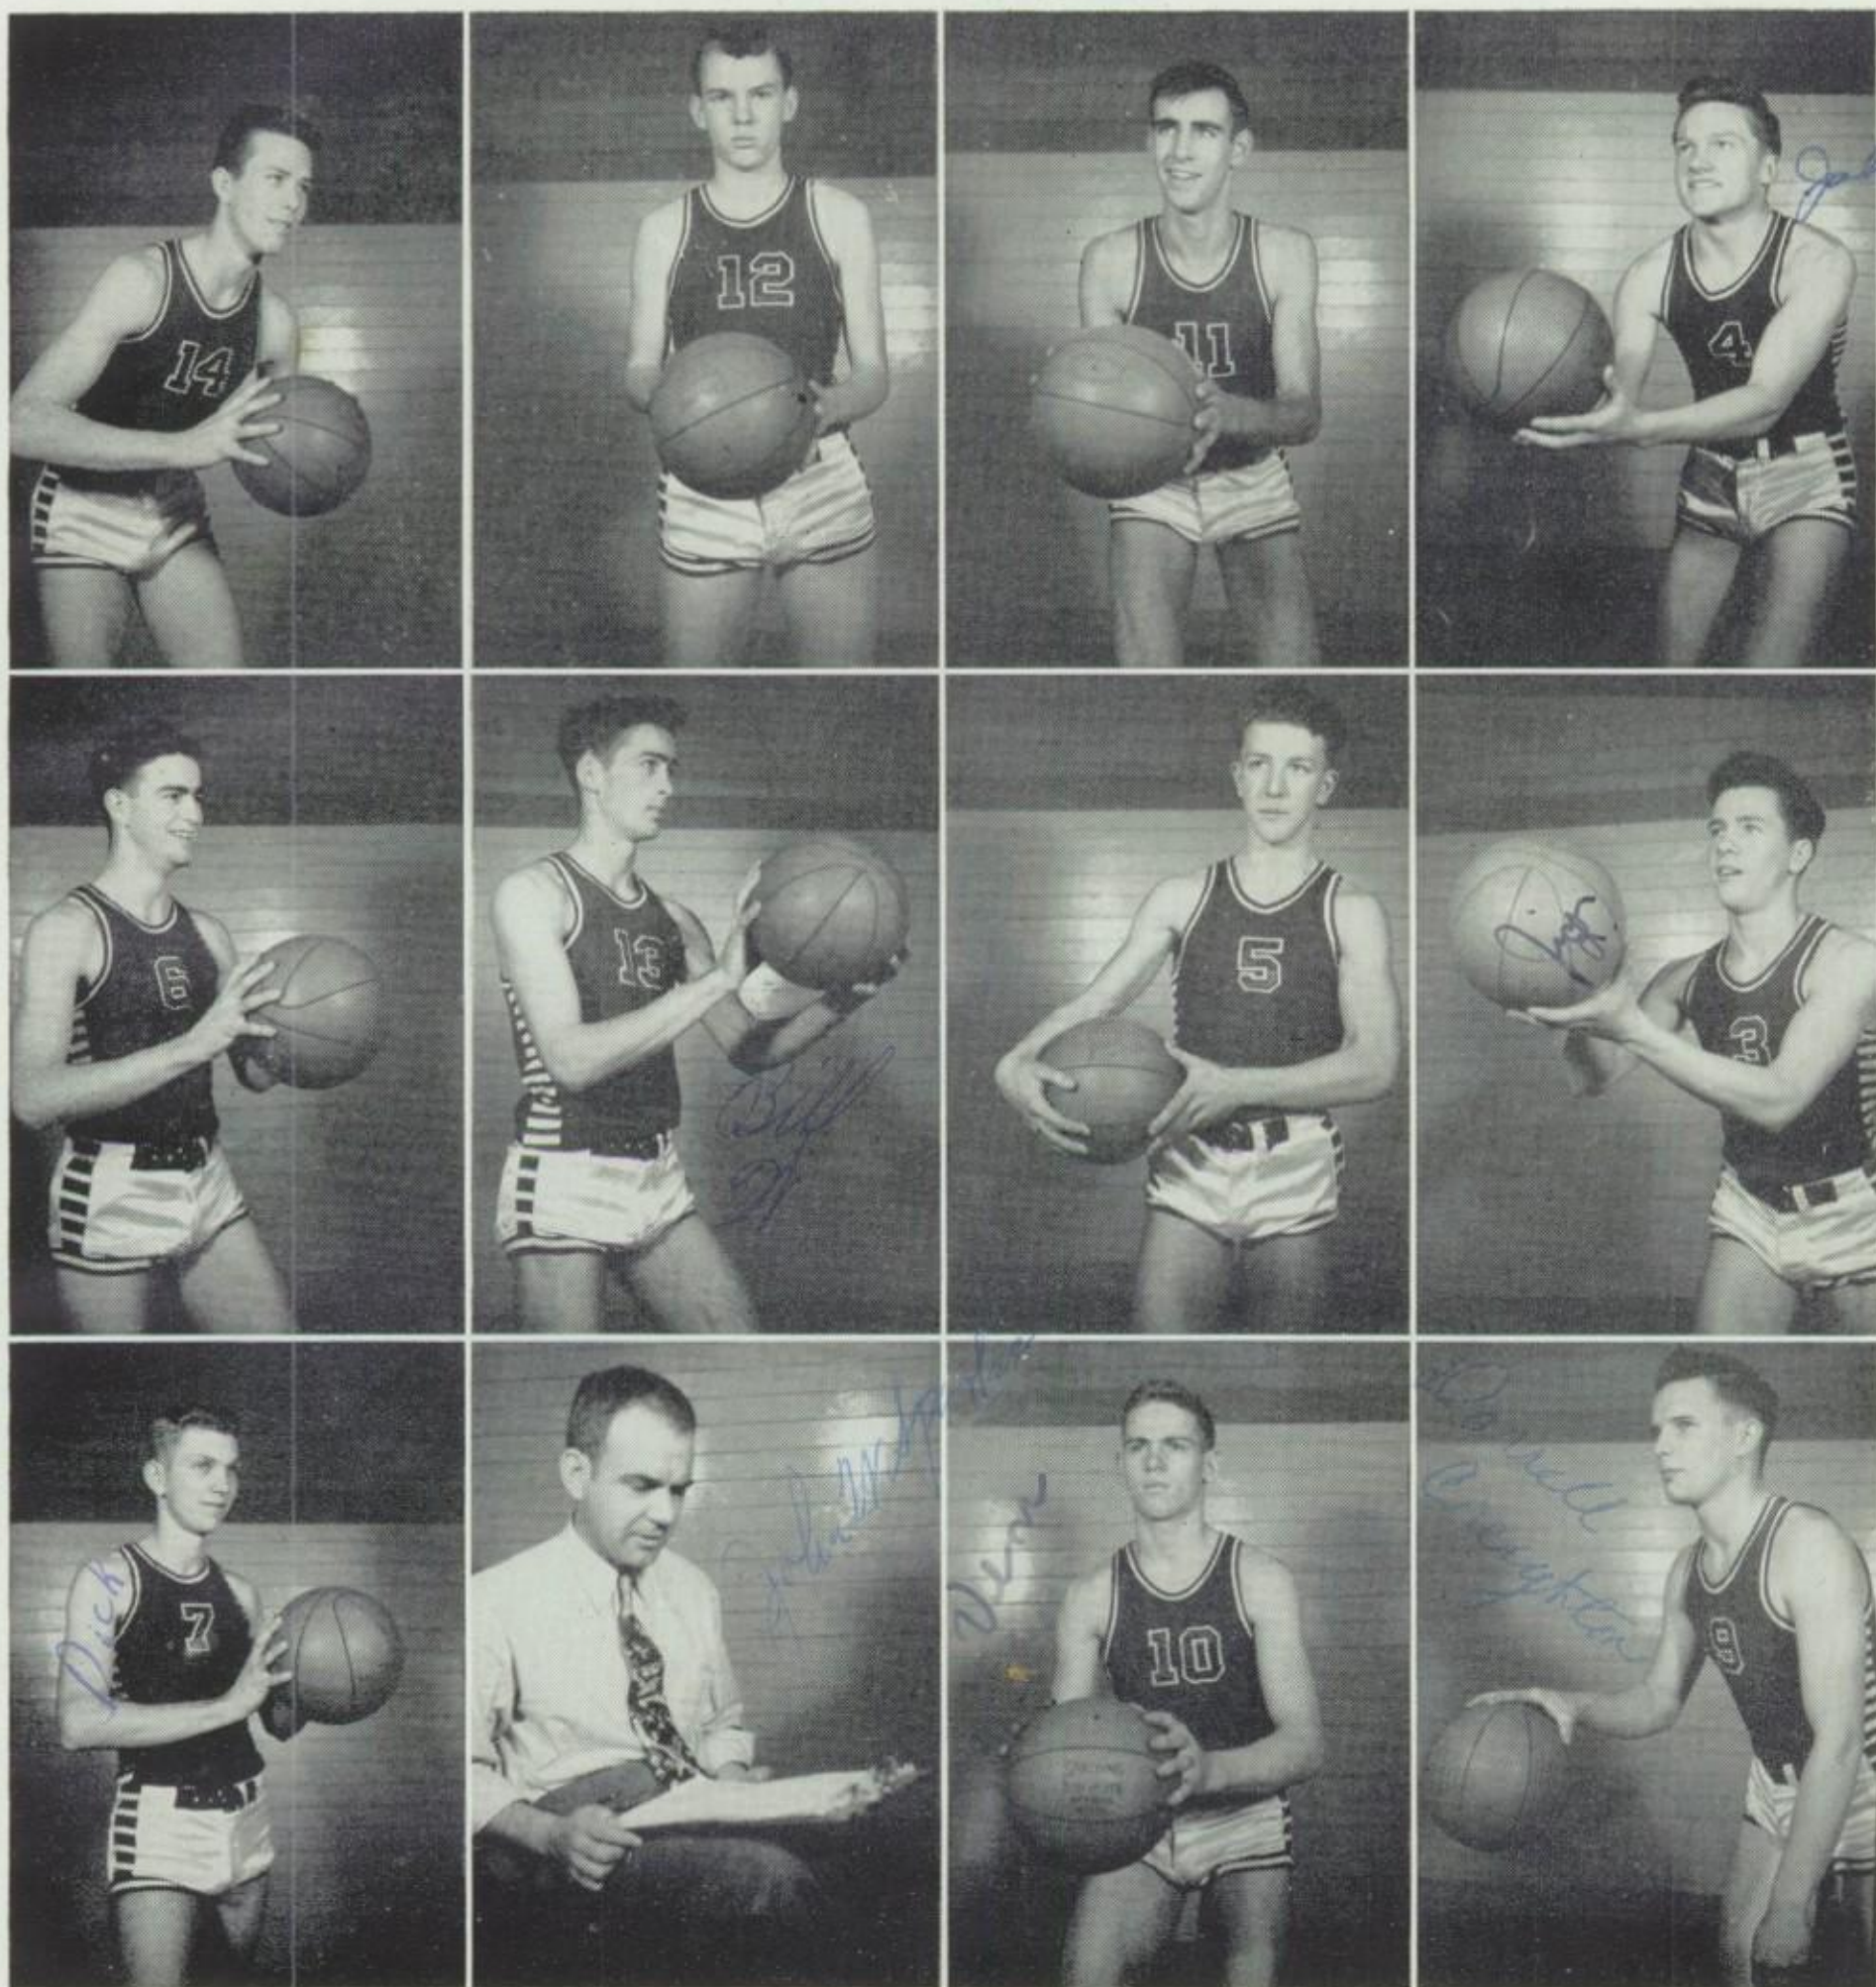

Federal Way tangled with Fife under a pouring rain on October 27 for a scoreless tie. The game was strictly defensive with neither team getting closer than twenty yards to the goal line.

On November 3 the Eagles set their best defense of the season during the second half of the game and struck back hard at the Eatonville Cruisers to win 20-6.

The Federal Way squad closed their campaign on home territory November 10, against Bethel. Although Federal Way lost 14-7, they again showed a good defensive by holding the Bethel Braves three times when they were near scoring.

Hardy Hoopsters

Although the Eagles improved greatly at the end of the season, they came out with sixth place in the league standing.

League play opened with 3 first-string players being ill. The Eatonville Cruisers topped the Eagle hoopsters with a 56-35 score on December 8.

In non-conference play Federal Way lost their first game with Issaquah by a 39-51 score. A week later Federal Way turned tables and beat them by a margin of ten points, 51-41.

Both games played with the Fife Trojans were close and proved to be very exciting to the fans even though the Trojans came out on top.

Two conference victories at Bethel's expense came when the Eagles defeated the Bethel Braves by 44-43 and 41-25.

In the last two years the Federal Way Eagles showed their ability to compete with leaders by hard fighting battles against Eatonville. The most outstanding game of the season played on the Eagles' home floor was against the mighty Cruisers. Baffled by a tight defense, Eatonville won only by a five-point margin, 48-43.

Most of the action was furnished by Spangler, Beebe, Reitan, Benton, Nelson, and Laird. Spangler and Beebe showed their best by being top scorers while Reitan, Benton, Laird and Nelson showed their best on defensive play.

The first-string with the exception of Jerry Beebe was graduated this year. Showing promise in varsity basketball for next year are several members of the second team. Among those who will produce next year's material are Houghton, Erickson, Taylor, Figel, B. Beebe, Doxon, and Ronholt.

Flashing Feet

Showing continued improvement over the previous years, our track team entered its fourth year. In the two meets held before this annual went to press, the Eagles won over Kent and lost to Auburn. They are looking forward to a successful season. Approximately 25 boys turned out to develop skills and set new records for the school.

Earl Shaw and Walt Cummings went to the "State" meet last year and it is hoped that again this year we may send a couple entries.

Standing, left to right: Fred Chaney, Dick Williamson, Al Schulte, Dick DeJardine, Walt Cummings, Gordon McNabb, Joe Wehrer, Dick Jarman, Mr. Housel.

Sitting: Don VanVolkenburg, Larry Bundy, Billy Beebe, Frank Kimmerly, Bob McKinley, Louis Eller, Dick Gilmer, Jack Foote.

Seated: Jim Fisher, Jim Laird, Kay Jones, Johnny Benton, Oray Stewart, Jerry Beebe, Ed Pulley, Jon Erickson.

Eagle Sluggers

With a number of the team being lettermen, and under the coaching and supervision of Mr. Kuhn, the Eagles show great promise of rating high in our league baseball standing.

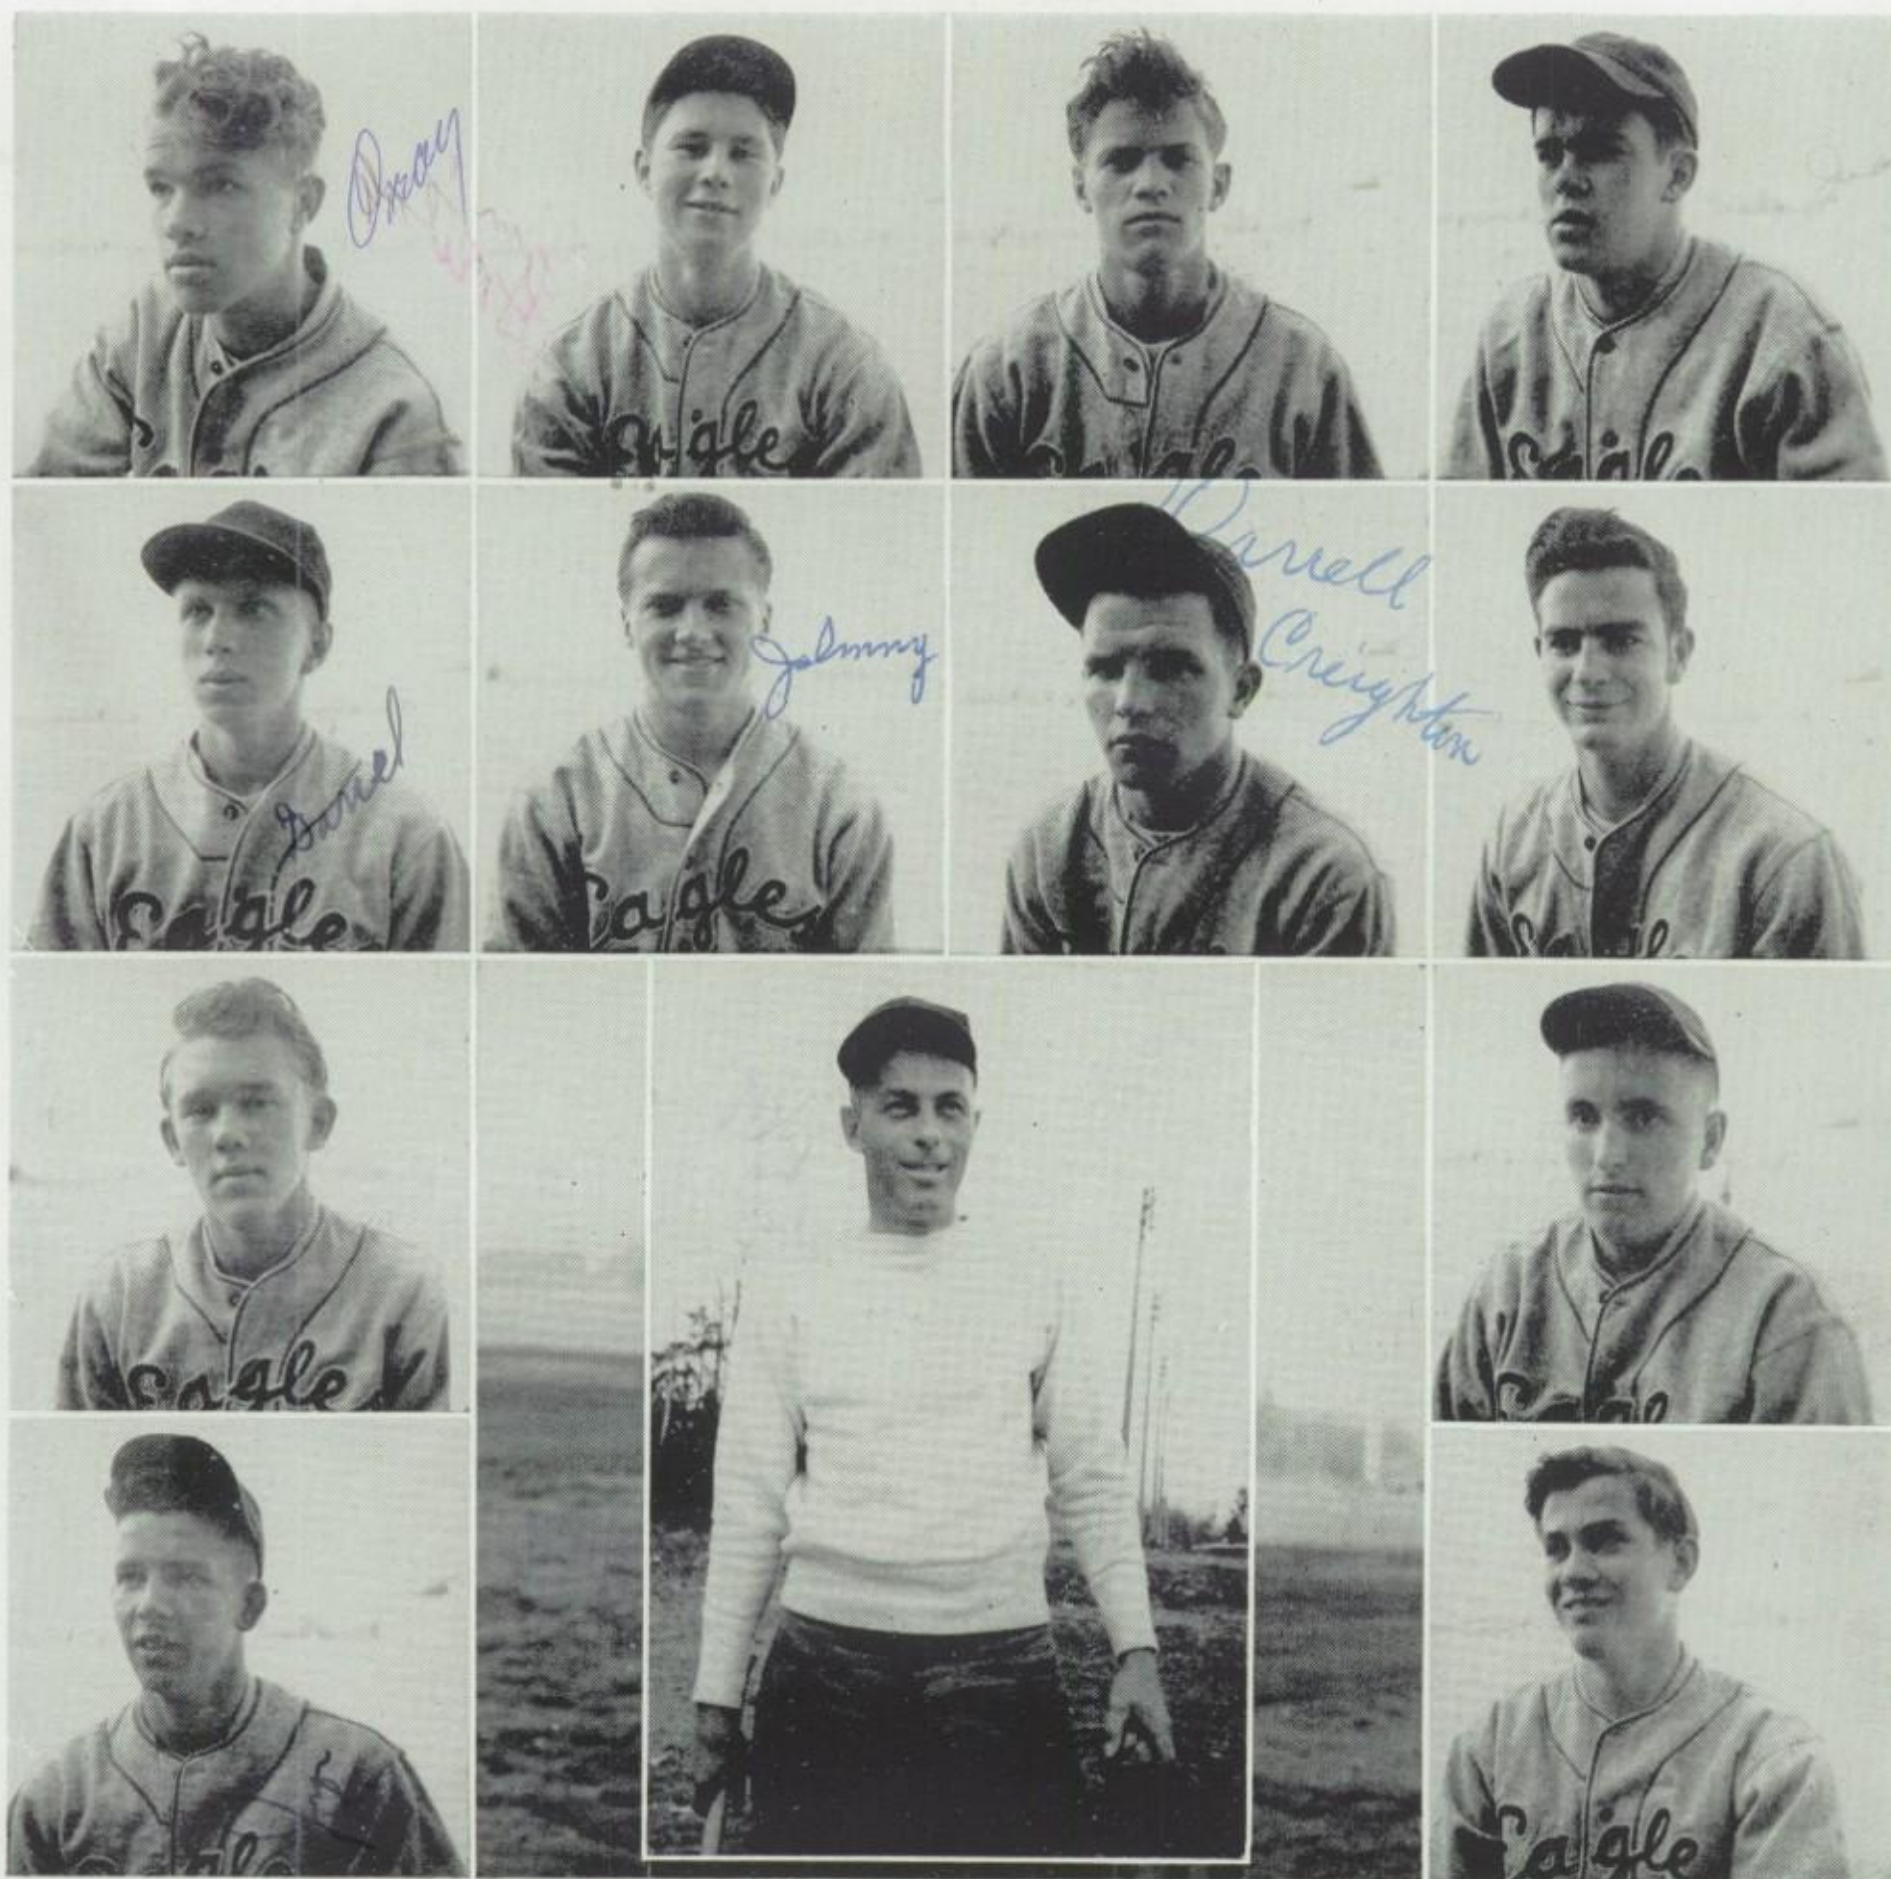

Showing in this year's team are: pitchers, Kay Jones and John Phelps; catchers, Jon Sterling and Jack Bergerson; first basemen, Dick Nelson and Darrell Creighton; second base, Johnny Benton; shortstop, Jerry Beebe; third base, Oray Stewart; left field, Jim Laird; center field, Darrel Ronholt; and right fielders, Ed Pulley and David Zuck.

As this goes to press, the Eagles have played one league game. Tuesday, April 17, the Eagles were hosts to Peninsula. We won with a score of 11 to 0.

The Eagles played three non-league games. They beat Kent with the scores of 13 to 3 and 2 to 1, and lost to Auburn with a score of 2 to 0.

The scores for the league games played at the time the annual went to press were as follows:

Federal Way	0	Auburn	2

Federal Way	2	Kent	1
Federal Way	11	Peninsula	0

Junior High Sports

Many of the freshmen and 8th grade classes took part in the junior high school sports including football, basketball, and baseball.

By taking part in these sports they prepared themselves for following high school sports.

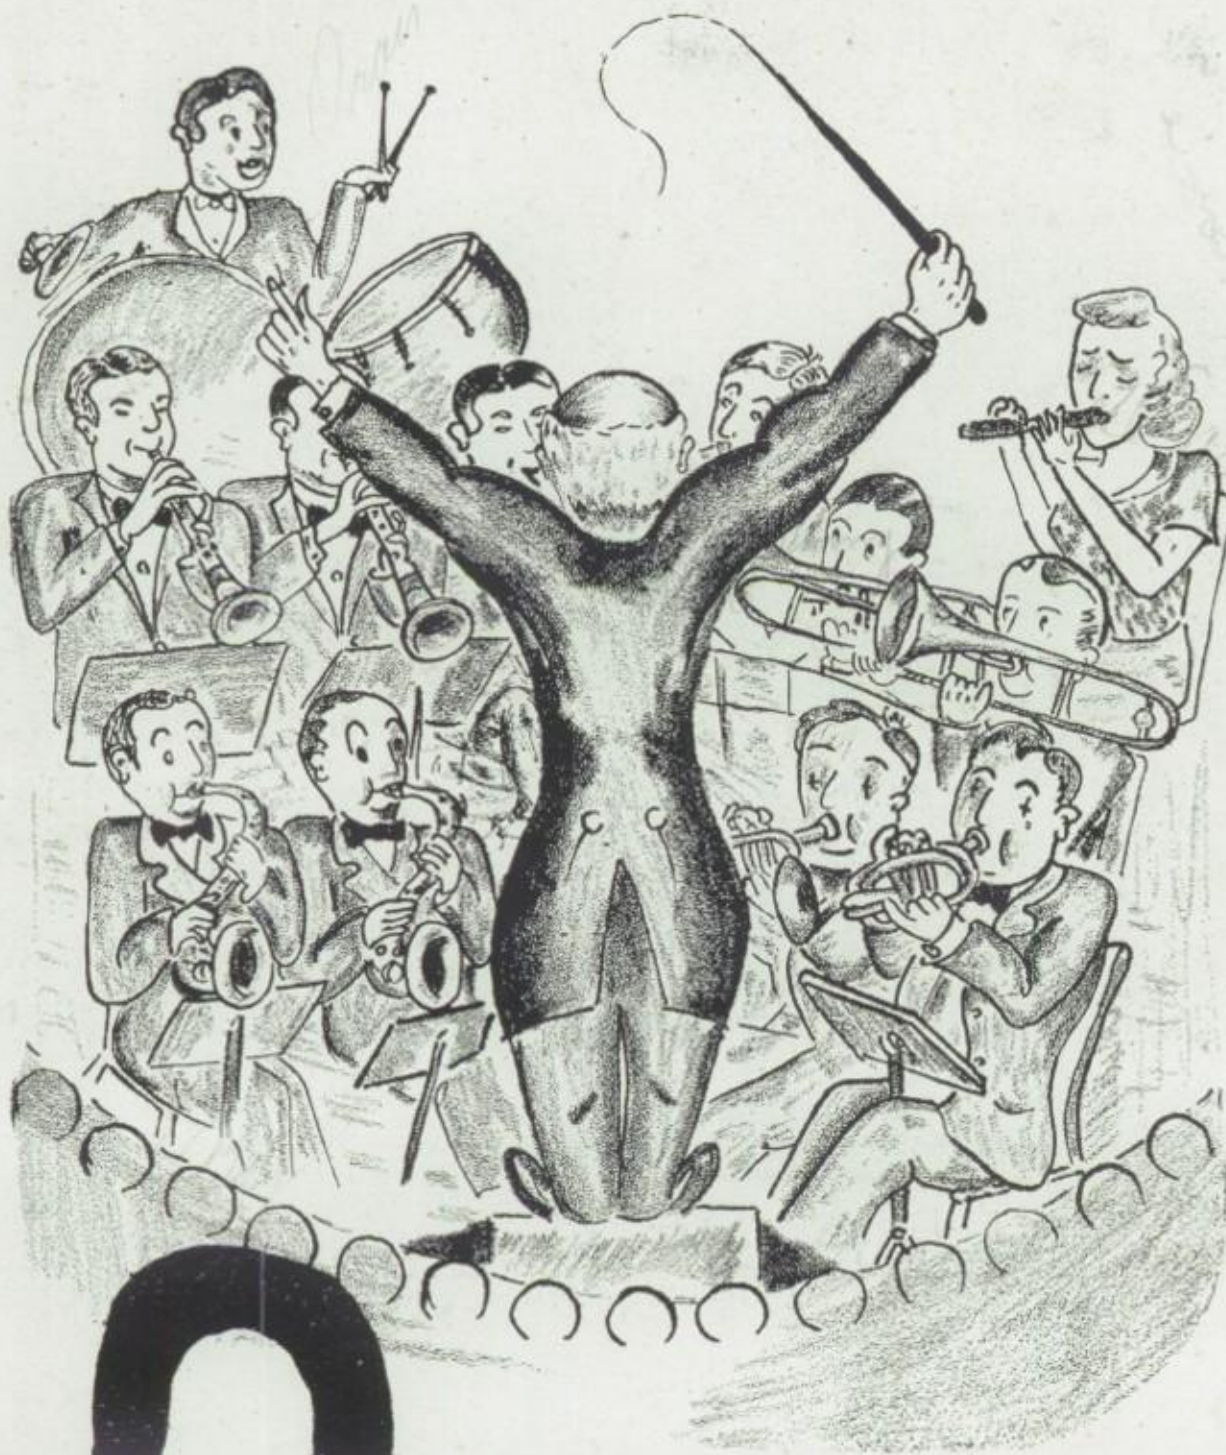

In football, the team held their own by refusing to give up territory to their opponents. The 25 players looked very snappy in their new suits.

Their opponents for the season were: Auburn, Fife, Foster, Kent, Maple Valley, Marymount and Sumner.

The junior high basketball teams proved to be "red-hot" by winning all but two of their games. However, the midget team won the championship in their division. The regular team schedule was as follows:

January 5.....Federal Way at Fife
January 12.....Marymount at Federal Way

January 19.....Federal Way at Parkland

Talented Tooters

With its thirty-three members, the Federal Way High School Band made a striking picture in snappy blue, white and gold uniforms. Under Mr. Dunn's fine direction, it has become a musical group of which the school can well be proud.

The band had added color, pep, and song to many football and basketball games before it began its concert work in December. Playing for the Mid-Winter Fiesta began another successful concert season for this organization. Usually accompanied by the Girls' Glee Club and smaller groups, it traveled to other schools to present exchange assemblies.

Wherever it appeared, the band was always welcomed and enjoyed. The chorus was, therefore, proud to perform with their talented schoolmates on a Campus Radio Theater presentation over Station KMO. The band was at its best and did an excellent piece of work.

After another fine performance at the schools' Spring Fantasy, it went on to play at the Pierce County Music Festival. Shortly after this, accompanied by the drill team, they played and marched in the Daffodil Festival Parade.

To finish a successful year, the group played the traditional "Pomp and Circumstance" at the Class of '51's Commencement exercises.

Back row, left to right: Bill Beebe, Don Sides, Joe Wehrer, Eddie Wilson, Jon Erickson, Rolly Probert, Darrell Creighton, Bob Graves, Walt Cummings, Wesley Pogue, Phillip Poppleton, Ronald Johnson, Philip Fisher, Marlin Reitan, Bill Wilson, Don Knopff, Vernon Spangler, Wayne Magill, Al Schulte, Richard Nelson, John Paris, Adrian Berglund, Larry Hutchinson.

Third row: Ronald Widener, Nancy Matthews, Carol Reitan, Marilyn Richardson, Donna Beddow, Paula Vallender, Dolly Youngchild, Betty Wilson, Ramona Magill, Betty Graham, Marilyn Reynoldson, Maureen Duffy, Gwen Thiederman, Christine Lamoureux, Muriel Hoyt, Mae White, Donna Devereaux, Pat Miller, Jackie Doxon, Violet McNary, Pat Lucas, Ramona Eller, Nancy Osborn.

Fourth row: Pat Cavanaugh, Ronda Erickson, Gay Clemans, Florence Wilhelm, Joyce Wishard, La Vonne Cain, Myrna Crowston, Ann Jorgenson, Suzann Schwab, Eleanor Fransten, Mary Arndt, Barbara Blackburn, Edwina Kravik, Mary Anne Samuel, Burl Beckwith, Carol Day, Carol Heffernan, Bonnie Calvert, Betty Hazen, Sara Jo Anne Tibbels, Janece Blaesi, Shirley Iwasaki, Marilyn Sweeney, Shirley Stanley, Mr. Dunn.

Chorusers

When it came to music this year, Federal Way High School students certainly showed their enthusiasm along this line. Aside from band, a Girls' Glee Club and several smaller groups, the school had a chorus of which they were very proud.

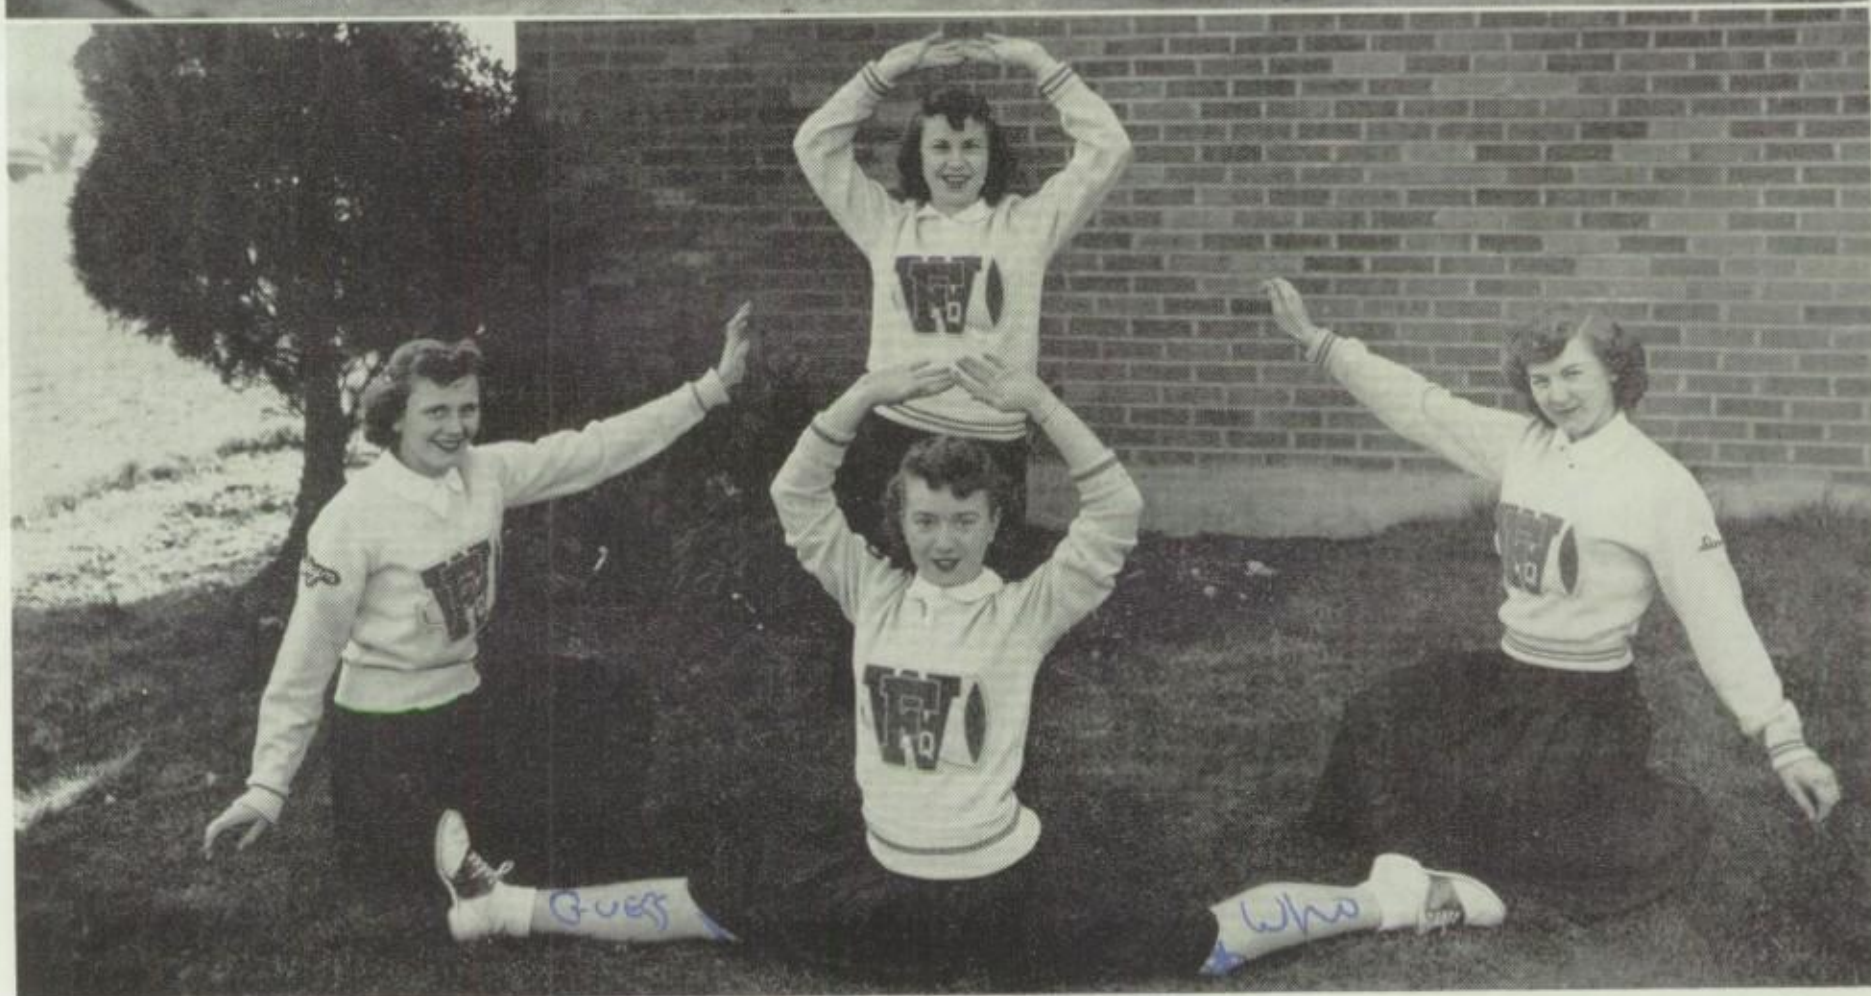

So large was this group that it was divided into two parts and each of these sections was given a separate class period. However, when they performed for an audience, the group was combined in its entirety—ninety-three talented members.

Their first performance was at the Mid-Winter Fiesta December 8. This fine performance was so well received that they were invited to sing for the P.-T.A. Founders' Day program, where they were again a credit to their fine director, Mr. Dunn.

Each year the Federal Way music department is asked to appear on Campus Radio Theater over Station KMO in Tacoma. Usually the group goes to the studio to perform but this year due to the size of the group the studio came to them. A transcription was made in the music room at the school and rebroadcast a week later to the radio audience. Once more the group did an outstanding piece of work.

In the spring the group sang for the Spring Fantasy and went into competition at the Pierce County Music Festival.

PEP CLUB: Top row: Vallender, Youngchild, Kress, Marvin, Mr. Kuhn. Second row: Duffy, Cavanaugh, White, Jorgensen, Pascoe. Third row: Smith, Breider, Durnell, Graves, Day, Richardson, Lucas. Sixth row: Sweeney, Siler, Clemans, Beddow, Kluth, Hedger, Erickson, Benton. Seventh row: Wishard, Wilhelm, Fredrickson, Schwab, Gay.

CHEERLEADERS: Top: Gay Clemans. Bottom, left to right: Goodryn Kluth, Bonnie Hedger, Donna Beddow.

Pep Club

The Pep Club helped to spread the light of good sportsmanship and school spirit by being an organized yelling section at the games.

The Pep Club sponsored several pep dances after football and basketball games which were very successful.

To help spread this beam of light the club elected Gayleen Fredrickson, president; Marilyn Gay, vice-president; Florence Wilhelm, secretary-treasurer; Suzann Schwab, representative.

Cheerleaders

Furthering the light of sportsmanship, Gay Clemans, Donna Beddow, Goodryn Kluth and Bonnie Hedger, were elected as cheerleaders. They wore blue pleated skirts and white school sweaters. They revised many yells and used many new motions.

OFFICE GIRLS: Shirley Nicholson, Verla Brinson, Sharon O'Brien, Marilyn Reynoldson, Goodryn Kluth.

LIBRARIANS: Bottom, standing, left to right: Betty Jean Dunbar, Marvis Bauer, Ruth Graves, Helen Herr, Bebe Busselle, Jackie Kerrone, Margie Wishard, Miss Lewis. Seated: Marcellyn Barnett, Rose Hay, Sharon Palmer, Vivian Cavanaugh. **Missing:** Dolores Higdon.

Pencil Pushers

This year there were office girls for each class period to help Mr. Rutherford's secretary in doing such things as: collecting attendance slips, taking announcements around, and running errands. They served faithfully in performing their duties.

Bookworms

Advised by Miss Lewis, the librarians supervised the care of library books and reference materials.

With their help, the way was lighted to find interesting books on subjects which students would like to read.

Their duties were to check books in and out, prepare new books for the shelves, read the shelves, keep magazines in order, and prepare a weekly bulletin display.

Their meetings were held after school on Wednesdays.

REPORTERS (top left): Evereste Black, Darrell Creighton, George Woodruff, Maureen McCaughan, Shirley Teabo.

PAGE EDITORS (top right): Davie Joy Adams, Gail Fields, Gayleen Fredrickson, Shirley Iwasaki, Miss Lewis, adviser.

EDITOR and ADVISER (bottom left): Davie Joy Adams, Miss Lewis.

EXCHANGE (center): Betty Graham, Donna Perkins.

MIMEOGRAPHING: (bottom right): Marilyn Reynoldson, Miss Twiss.

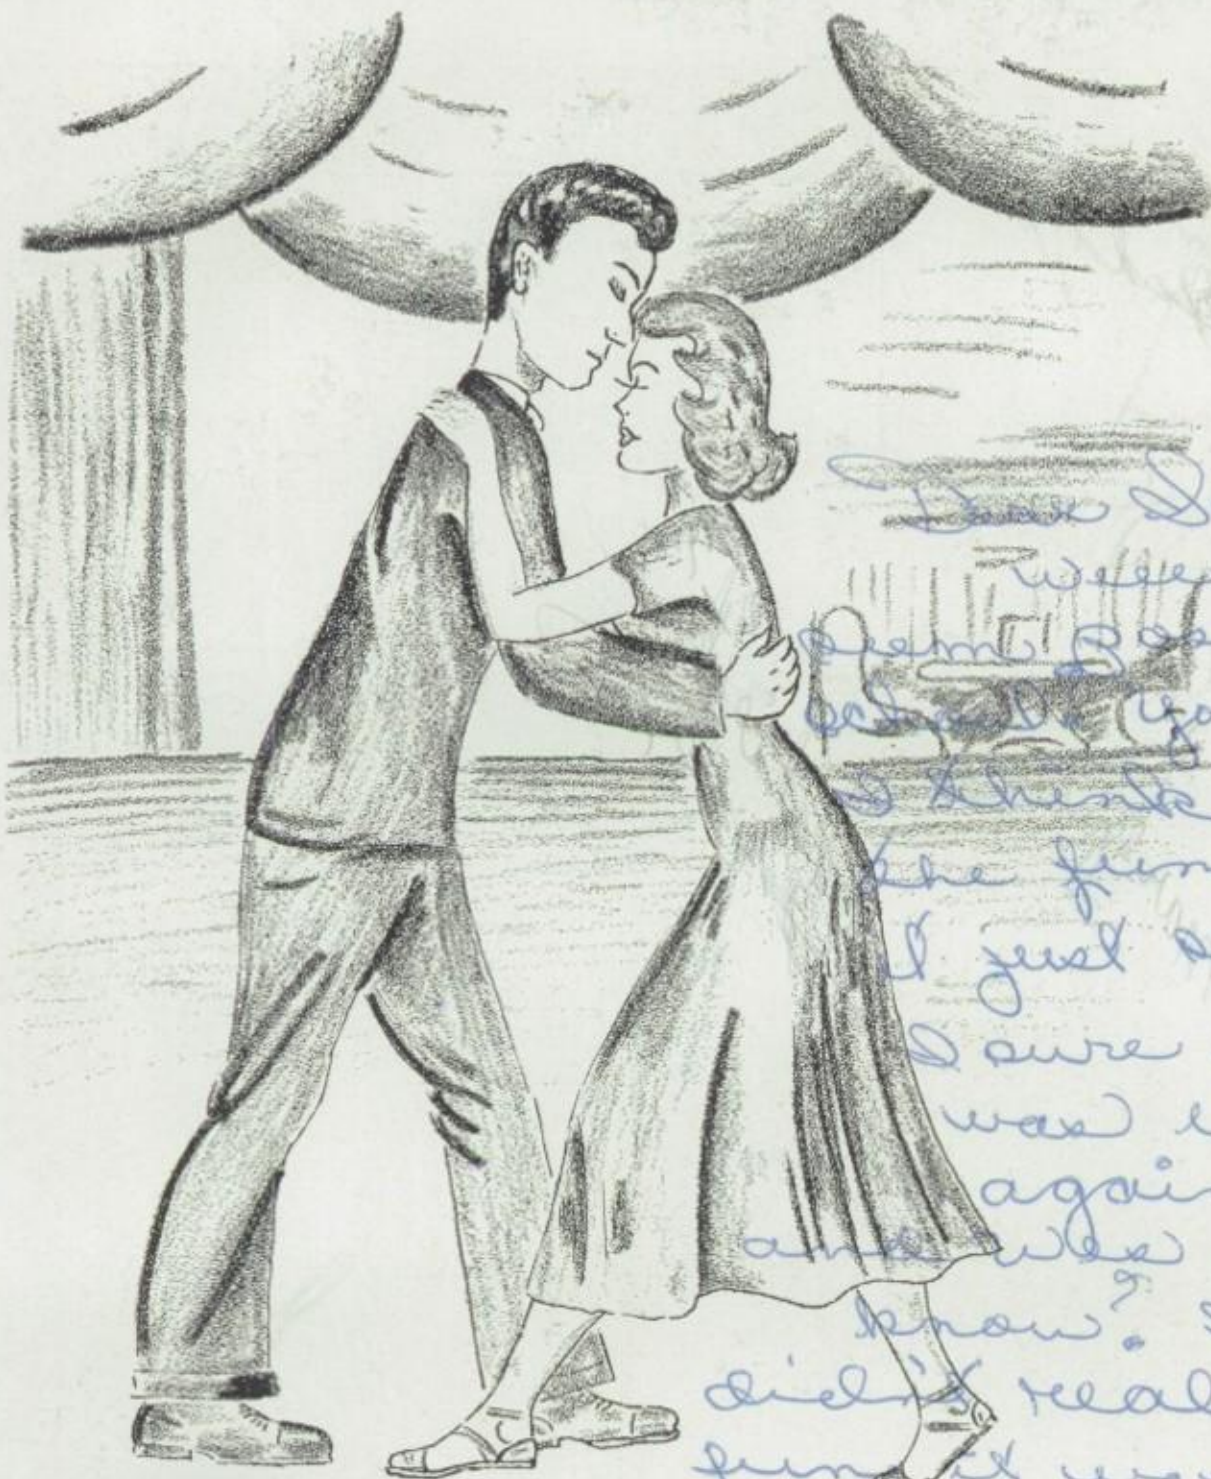

Searchlight

Enlightening the student body of Federal Way was the task set before the Eagle Eye staff. They gathered news stories and composed editorials and features that represented and depicted school life.

There were four page editors who divided the responsibility of composing the paper. The editors were: Davie Adams, news page; Gail Fields, editorial page; Shirley Iwasaki, feature page; Gayleen Fredrickson, sports page, first semester and Marilyn Reynoldson, second.

The remaining members of the Journalism class were given jobs of typing, mimeographing, assembling, distributing and exchanging papers.

Miss Gertrude Lewis advised this group of hard-working students.

Christmas Tea

Dear Donny,
Well it just doesn't
seem possible your out of
school (you know, when
I think back of all
the fun we have had
it just seems like yesterday)
I sure wish that it
was like old times
again. With George
and Alice home, you
know? I guess I just
didn't realize how much
fun it was when they were home.
I hope you have a
very happy future and
may you gain the highest
in life.

As Ever,

Candlelight Cabaret

On November 11, 1950, a bright light was focused on Tolo, the first social event of the year, sponsored by the Girls' Club. It was held in the beautifully-decorated school gymnasium.

A Lincoln High Dance Band provided the soft music, while a delicious dinner was being served. Besides a dance team from a Mildred Alley Studio, Burl Beckwith, Don Van Volkenburg and Eddie Englund furnished spotlight entertainment to carry out a cabaret theme.

During Tolo week the Federal Way girls wore many odd costumes and hairdos.

Upper left: On stage at Anne Purcell's death bed were her parents and boy friend, Howard Brant, successfully hiding a grin.

Upper right: Behind the scenes two of the make-up crew, Barbara Barrett and Donna Devereaux, giving the finishing touch to Professor Bean.

Line up, left to right: Jack Foote, Professor Virgil Bean; Janice DeJardine, Maude Corey; Ila Mae DeWald, Phoebe Purcell; Bob Wehrer, Henry Purcell; Jim Lawson, Vic Lewis; Edwina Kravik, Vivian George; Ronnie Johnson, Ed Burns; Verla Brinson, Anne Purcell; Johnny Benton, Howard Brant; Shirley Teabo, Lou Herron; Margie Wishard, Mrs. Spangler; Phil Poppleton, Mir Dixon.

Footlight Fantasy

The play, "Spring Fever," centered around the difficulties Howard Brant encounters when he tries to graduate from Brookfield College.

The comedy by Howard Hughes was directed by Mary Anne Samuel with much guidance from Miss Brasse.

This year the students were given increased responsibility in choosing and casting the play and designing the set.

"Holiday Affair"

The Girls' Club of Federal Way held their annual tea on December 20, 1950, in honor of all high school mothers.

Each mother was presented with a corsage and welcomed by the women of the faculty and the officers of the Girls' Club. She was then conducted to the attractive serving table where Mrs. Marian Aldridge and Mrs. Henry Samuel were pouring. After being served the delicious refreshments prepared by the home economics department, she visited with other mothers and girls.

A very entertaining musical program was given in her honor with Gary Coby playing several electric guitar numbers, Burl Beckwith singing, Bonnie Hedger dancing, Don Van Volkenburg playing a saxophone solo accompanied by Eddie Englund, Ronald Brace playing a trumpet solo, with Barbara Blackburn as Mistress of Ceremonies.
